

Travel Directions

If you are travelling from London, Basingstoke or Southampton directions, you will find the route much easier if you avoid going through the town centre of either Poole or Bournemouth.

To do this, you will start on the M27, which will become the A31 travelling through the New Forest.

To avoid difficulty, stay on the A31 past Wimbourne Minster until you reach its junction with the A350, do not follow the A347, A348 or A349 to Poole, there is a good chance you will get lost!

At the A31/A350 roundabout, turn left onto the A350 (signed Poole) and follow the road through one set of traffic lights until you reach the first roundabout (A350/A35).

At this roundabout, turn right onto the A35 dual carriageway (signed Dorchester) and continue until you reach the next roundabout (A35/A351).

At this roundabout, turn left onto the A351 (signed Wareham). After about 1½ miles, you will reach the first set of traffic lights. Turn right at these lights (filter lane), we are less than ½ a mile on your left.

If you get lost call us on 01202 622 434, before 18.00.
